

Pegasus Pro

The Pegasus Pro is an insurance-approved security safe, certified to EN 1143-1 Grade IV, built to protect substantial cash and valuables in demanding business settings. Every model includes 30 minutes of fire protection as standard, and the range runs from 63 to 366 litres across five sizes. Every Pegasus Pro is independently tested for burglary resistance to EN 1143-1 and certified by VdS and ECB•S in Germany.

CERTIFICATIONS

- Burglary**Grade IV (EN 1143-1), tested by VdS and ECB•S Germany
- Fire**30 minutes, manufacturer-tested
